MEMORIAL SCHOOL... Mrs. Tait

As 4th grade students wrote authentic persuasive writing pieces to Mrs. Tait presenting their reasons they believe they should earn one week of no homework. Due to the strong persuasive arguments they not only earned one week of no homework but TWO weeks! Congratulations to our 4th grade writers! Much happening in Memorial as our students are busy preparing for our Spring Show May 24th at 9:15. Please enter through the Gym doors. Reminder to please put sunblock on your children for Field Day on June 2nd as well as Kindergarten parents for Carnival on May 25th. Students are looking forward to special grade level events. Our Kindergarten Orientation is scheduled for June 9th. Thank you to our PTO for an incredible Teacher Appreciation Week – we appreciate YOU!

HIGH MOUNTAIN SCHOOL... Mrs. Mazzola

What a busy month we've had at HMS. In addition to the amazing lessons taking place each day in school, our students have been and continue to extend their learning outside of the school. Students' extraordinary abilities were showcased in the High Mountain School's Talent Show. Grade 7 students visited Medieval Times, and are looking forward to their Pine Forest overnight trip at the end of the month. Grade 6 is attending a trip to Liberty Science Center on May 12. Our G&T program sent students in Grade 5 to a two day Arts Symposium in Hawthorne and students in Grade 6 to a Crime Scene Investigation in Haledon. With PARCC behind us, and summer vacation on the horizon, our May and June calendars are packed with exciting learning experiences for our students.
