Chrome Books

We continue to provide valuable resources to our students. The collaboration between our BOE, NHEF, and NH PTO has been instrumental in the provision of additional resources to all of our students. This partnership will continue. Our staff has been diligent in the utilization of our Chrome Books as technology continues to be implemented in the classrooms, thus meeting all learning modalities. Families, please reinforce proper care of any tech equipment provided, as well as maintaining appropriateness from an operational perspective. Thank you.
